

Ayodya Sashminda

About Me

I am Ayodya Sashminda, a Highly Motivated Cybersecurity Candidate currently developing hands-on expertise in key defense and offense areas, including penetration testing methodologies, risk assessment, and the implementation of robust network security architectures. Dedicated to strengthening security operations (SecOps) skills and applying a detail-oriented approach to identifying and mitigating digital threats during a meaningful internship.

Skills

- Programming languages
 - Python -SQL -JavaScript
 - Java -PHP -Bash
- Security Tools
 - Nmap -metasploit -Wireshark
- Operating Systems
 - Linux -MacOS -Kali Linux
 - Windows Server -Ubuntu

Education

- B.A (Hons) in Information and Communication Technology
Sabaragamuwa University of Sri Lanka 2022-present
 - Faculty main graphic designer -2024/2025
 - ICT student Circle Designer | Editor| Program Coordinator
 - Quality Assurance Cell - Main Student Graphic Designer
- Diploma in Cyber Security & Ethical Hacking
SITC Campus 2025
 - Introduction to Cyber Security & Ethical Hacking : A+ | Information Gathering & Scanning : A | Vulnerability Analysis & Exploitation Theory : A | Exploitation : A | Working With Virtual Machines : A+ | Mastering Nmap & Metasploit Framework : A | Programming for Ethical Hacking : A+ | Introduction to Anonymity : A+

Projects

- Personal Security Assistant System
 - Developed a Personal Security Assistant, a web-based platform that integrates essential cybersecurity tools including a password vault, malware scanner, and data breach checker. Built with Java and a MySQL database, this system empowers users with a unified, simple-to-use security solution.
- Bus Ticket Booking System
 - Developed a Bus Ticket Booking System using Visual Basic to create a desktop application for managing bus reservations. The system utilizes a MySQL database to handle ticket sales, passenger information, and route management.

Experience

- IT Operator
Nilgiri Tea Factory 2021-2022
 - Managed IT services and requirements handling database, email management, and account handling.
- Human Resource Manager
Sundara Belihuloya Media Crew 2025-2026
 - Served as HR Manager at Sundara Belihuloya Media Crew, overseeing member coordination and organizational activities. Also contributed as a photographer and graphic designer, supporting the society's creative and media initiatives.

Professional Qualifications

- Google Cybersecurity Professional Certificate
